unprecedented insights into the leading minds of different industries, each essay in these books is written by a different
C-level executive from Fortune 500 companies. Their insights provide tips, secrets, and glimpses into the future of
each profession or topic. Each book features a list of the best and brightest industry leaders, resulting in all-star casts of
respected and revered contributors on each topic. Their business perspectives reveal methods for analyzing markets,
increasing worth, motivating teams, establishing goals, strategic planning, building brands, ensuring customer
profitability, balancing professional and personal lives, building great relationships, continuing research and education,
learning time management, and more. Business & Economics, Deal Terms Alex Wilmerding, Business & Economics,
